

### CA 17 School Road Wandiligong VIC

Just over 1 acre of elevated land looking over the Wandiligong Valley.

Build your Dream Home (STCA) overlooking the majestic Wandiligong Valley. This property backs onto State Forest that was once home to a thriving community of gold seekers who diligently worked the now disused Long Tunnel and Oriental Gold Mines. The area is rich in Victorian history. It overlooks the historic Wandiligong Primary School to the Northwest. A clever house design that blends with the historical ambiance that is Wandiligong, would make the most of this tranquil setting.
