

10 Karnu Court Bright VIC

3  2  1 

Immaculate would have to be one of the best ways to describe 10 Karnu Court. This doesn't happen by accident of course, it comes from careful planning, learning from many years of building and renovating, and engaging professionals to work with, who share the same passion and unwavering desire for completing the project to the highest standards.

Set on 702m² in the very desirable Karnu Court development and overlooking the Bright Golf Course, with views to the nearby hillside, this home really does want for nothing.

Designed to offer a blend of alpine feel and character but completed with all modern lines and finishes.
