

112 Delany Avenue Bright VIC

A rare opportunity to purchase a home on a huge 3680m2 allotment on the ever popular Delany Avenue in the township of Bright, nestled at the gateway to the Victorian High Country and snowfields.

The home consists of three bedrooms and two bathrooms, and features a large back to the grid solar power system, outdoor entertaining area complete with a separate meal preparation area, electronically controlled sun awning, single lock-up garage and adjoining shedding.

A small orchard provides enough walnuts, olives, cherries, lemons and figs for friends and family.

The property has a North-easterly aspect and extends to the southwest which backs onto state forest. Current zoning is Low Density Residential, but there is plenty of room to build a carers dwelling for those looking to
