

10 Stockman Drive Bright VIC

Set in a brand new subdivision off Stackey Gully Rd, with all town services connected is this 768m² parcel of flat land that will make for an excellent new home site and orientated to offer plenty of Northerly aspect for your solar passive design.

Situated only 1.5kms from the centre of town with easy access along the Rail Trail and less again to the Ovens River, this is the ideal size to potter around on, yet not too large that you couldn't lock & leave for the winter.

Land Size : 674 sqm
