

24 Lumley Drive Bright VIC

3 2 2

On offer is so much more than just a three bedroom two bathroom home; careful thought has been given to the layout and it has been specifically designed to allow the occupants to live separately while still being under the one roof line.

Tasteful renovations and extension has resulted in an incredibly well presented home. It is also in a fabulous, yet quiet location and within close proximity to the central part of town. It will certainly impress with its central kitchen and living space that is just calling out for you to whip up a storm in the new kitchen while you entertain family and friends.

Large bedrooms with built-in robes, high ceilings, modern bathrooms and separate living areas at each end of the home really do make this a home for all occasions and any
