

90 Delany Avenue Bright VIC

5 3

Set in an elevated and secluded location is this two storey home that is very well proportioned. Offering 4 bedrooms plus study (or 5th bedroom) upstairs, along with huge North side living space that leads out onto the sun-filled entertaining deck. While downstairs you will find there is a fully self-contained unit that makes for an ideal kids zone or space for "extra" family if being used for full-time living or could just as easily be the little B & B you've been looking for.

Also down stairs there is a double lock-up garage with workshop space, while adjacent to the home is a Colorbond shed that makes for the perfect workshop for the home handyman.

Add to this an abundance of space that only blocks (and they are few & far between) of this size can offer, along

Land Size : 1.794 Acres
