

4 Francis Street Porepunkah VIC

3 2 3

For the young family, a couple looking to enter the market or for the property investor, this property is one you must inspect.

Very well presented this home offers open plan living with slow combustion heating and reverse cycle split system, large family sized kitchen with Island bench and the whole house has been remodelled over the last few years and is one you can just move in and enjoy....

Down the central hallway you will find generous kids bedrooms, both with built-in robes and a master bedroom with ensuite and built-in robe.

The family bathroom provides shower and bath along with vanity, while the toilet is separate for practical every day living.

Land Size : 661 sqm
