

7 James Close Bright VIC

When you walk across this gently sloping land in James Close it is impossible not to fall in love with the outlook that it offers. Whether it is looking west out of our valley, to the north and our surrounding hills or east across the town's centre looking directly at Mount Bogong, every day will provide you with something different as you sit back and let the world pass you by.

At just over half an acre and with all services available this is one of very few allotments such as this yet to be built on; securing this allotment is securing your future.

Land Size : 2048 sqm
