

Bright

4 3 3

Designed to blend into its natural bush surroundings, this craftsmen built 4 bedroom 3 bathroom home is set on a beautifully established 2/3rds of an acre parcel of land, that is bordered by Stackey Gully Creek to the west and affords a glorious northerly outlook.

Some of the many features include; 240m² of living space including the downstairs guest accommodation.

All living space faces north for an abundance of natural light and opens out to over 100m² of hardwood decking running the full length of the home.

Central kitchen with granite surfaces, gas hob, electric oven, dishwasher, generous amounts of bench space and an abundance of storage.

3 large bedrooms "upstairs" with master featuring private access to the front deck, walk in robe and ensuite.

Building Size : 240 sqm
Land Size : 2507 sqm
