

20 Norman Court Bright VIC

This large building block (2000sqm) is a rare opportunity to buy prime land. It is centrally located in a cul-de-sac so it's a quiet, attractive and well desired residential neighbourhood with a short walk to town (less than 800 metres). Close to restaurants, coffee shops, supermarkets, ice-creamery, river precinct and all of the other fantastic places on offer in the township of Bright. Affording the very best in a relaxed and safe area to build your family home or holiday property, it already has town water and power connected so ready to build on BUT also has a premium high quality deep bore for any pool, garden or additional domestic needs. There are also established trees on the boundaries for immediate privacy.

Land Size : 2000 sqm
