

58 Walkers Lane Bright VIC

3 2 2

Large allotments, this close to town are becoming increasingly hard to find.

Whether you are looking for a family sized property, one where you can let the kids loose in the back yard for a game of cricket or a kick of the footy, or if you have development in mind and wish to land bank this property as it presents as a fabulous opportunity for a future townhouse development site.

The home itself still has years of comfortable use left in it. The master bedroom, walk-in robe and ensuite, along with the nice sized lounge room, were all added during the early 2000's. At the same time the kitchen was also replaced and offers more than ample bench and cupboard space, island bench, electric cooking and flows with ease into the dining space with its timber lined walls and high pitched ceiling.

Building Size : 120 sqm
Land Size : 2400 sqm
