

5 Bakers Gully Road Bright VIC

3 2 2

A fantastic entry into the Bright market is on offer at 5 Bakers Gully Rd. 3 bedrooms, 2 bathrooms (ensuite to the master), with robes to all bedrooms, separate dining room and lounge with French doors leading out to the north facing paved verandah!

After starting life as a timber log cabin, the exterior has received a new outer layer with a rendered finish and now provides a great mix of mountain character with a modern feel.

The home itself is quietly tucked away from view from Bakers Gully Road and enjoys plenty of shade on a hot day, no neighbours to the rear at all except for the abundance of native birdlife and a few friendly kangaroos that come down to visit.

Building Size : 125 sqm
Land Size : 1224 sqm
