Imagine yourself on a 15 acre property nestled in the foothills of Mount Buffalo, just a stone's throw from the Ovens River.

Offered for sale is this unique rural property - the type which rarely becomes available to purchase. It consists of four large bedrooms, each with walk-in robes; the master has its own ensuite and is located at the opposite end of the home from the remaining 3 bedrooms, giving the ability for a parent's retreat to be separate to the remaining areas of the home. The family living area overlooks the covered outdoor living space adjacent the solar heated pool. The kitchen boasts a large 900mm electric oven and cook-top, plenty of bench space, walk-in pantry and a large fridge recess, suitable for today's modern two-door refrigerators. A large study is the perfect place for those who wish to work from home.

Outside, you will find a large lock-up machinery shed, a
