

69 Centenary Avenue Wandiligong VIC

2 1

A delightful golden era cottage that oozes old world charm, set on approx. two acres and nestled adjacent the Chinese Diggings Reserve. This property is sure to be steeped in history. One could imagine unearthing implements of a bygone era where prospectors enthusiastically searched for their fortunes on the rich valley floor.

The home has been maintained through the years with the character of the original home in mind.

The perfect property for someone looking for a little piece of history in the beautifully unspoilt Wandiligong Valley
