

1/ Dredge Hole Lane Harrietville VIC

Situated right on the edge of Harrietville is this 8 acre parcel of land that is filled with an abundance of natural timber and native wildlife. Town water and power are available, and the land is perfectly situated adjacent to the Feathertop walking track.

Broken views through to the surrounding valley and zoned Rural Living means as of right now you can build that dream property.

This really is a special parcel of land, ideal for nature lovers, Alpine High country enthusiasts and is just waiting for you to start planning your new home or weekend retreat on.

Land Size : 32374.9 sqm
