

26 Ireland Street BRIGHT VIC

Its not very often that such a prime commercial freehold becomes available, certainly not one that has as much exposure as 26 Ireland Street does.

This site offers a land area of approx. 665m2 fronting both Ireland St and Wills Street and is situated directly across from the clock tower, right in the middle of town.

The property is currently let on a 3x3x3 year lease returning approx. \$44,500pa.

A strategic freehold in the centre of Brights booming real estate market.
