This character filled miner's cottage is now available for rent. The wet room entrance leads to the lounge room which features an open fire as well as a new slow combustion baker's oven in the kitchen to keep you cosy (and fed). The home itself provides 3 bedrooms, the master with a walk in robe, a renovated bathroom with claw foot bath & separate shower and a laundry with extra store room at the rear. The backyard is open to the idyllic Ovens River with a rustic bar and fire pit and houses a carport and garden shed.
