3  1  1 

Cottage 4, a cute little 3 bedroom home is available for rent on a working farm surrounded by beautiful rolling hills. The open plan kitchen, dining and living space has both a reverse cycle air-conditioner and wood heater big enough to heat the house in those colder months. The three good sized bedrooms have as new carpeted floors and it was not that long ago that the house was freshly painted. As this is a working farm unfortunately no pets.
