

2 Wood Street BRIGHT VIC

4 2 2

What an opportunity! Four bedrooms, two bathrooms (one new), chefs kitchen with gas cooking and an enormous living area that was once a commercial dining room. Located right on the Rail Trail and as central to the CBD of Bright as one could hope for. Once part of the 'Elm Lodge' complex this building has been converted into a comfortable family home. Lovely established gardens abound the property and beautiful big elm trees offer an abundance of cool shade.
