

1934 Great Alpine Road HARRIETVILLE VIC

4  1 

Set on 15 fantastic acres with a mix of Natural Australian Bush and old River flats with deep top soil is this classic Aussie Homestead style home with wide verandahs and high up mountain views. Inside the home is 4 bedrooms (or 3 with an office) remodelled kitchen & Bathroom, lounge with cosy log fire, split system reverse cycle air for pleasant climate control and French doors opening from the living areas and the master bedroom to maximise the cross flow of air through the home. There is also a new 11m x 4m workshop/shed for storage or the home handyman. Loads of grass for any animals you may want to keep and for lovers of this natural setting there is an abundance of wildlife that frequent the property and a beautiful small stream that cascades amongst tree ferns and rocks beside the boundary. So if it is peace and serenity you are after, then this property with no neighbours is a must inspection.

Land Size : 60702 sqm
