

44 Mountbatten Avenue BRIGHT VIC

3 2 1

Set in a quiet location with the arboretum across the road and a short walk to the river and the CBD is this lovely and neat 3 bedroom, 2 bathroom home. With very little to do except enjoy, this home has new carpets and paint throughout, is spacious enough for a young family yet not too large for a single person. It features BIR's in all rooms and the master also has a walk through robe & ensuite. The main bathroom has been remodelled and there is nice space for living and dining and also a separate games/rumpus room for the kids or a home office for Mum & Dad. All of this on a neat as a pin 663m² parcel of land with a vegie patch out the back.
