Set up on a lovely elevated corner block that is fully fenced, you will feel right at home in this comfortable 3 bedroom house. All the work has been tastefully done for you - open plan kitchen, dining and living space, large master bedroom with WIR and ensuite, other bedrooms with BIR and the added bonus of an office nook or toy room off the 2nd bedroom. Filled with natural light, there are outside awnings to keep the sun out in the summer and wood heating for those cooler months (with enough wood included to get you started!). Kick back on the timber deck, breath in the fresh air and take in the local views while watching the kids play. Established vegie patch, wood shed plus two garden sheds will make your outdoor projects all the more enjoyable. If this sounds like you, don't hesitate to arrange an inspection of your own piece of country living.
