3  1  2 

After stripping this home back to bare studs internally and completely refitting out the inside, the owners now wish to sell this character filled 3 bedroom home that is in a very central location. Set on a family sized 860m² parcel of flat land, only a stones throw from the Ovens River and playground, you will be pleasantly surprised when you inspect this home and find that it is completely new inside, with a crisp clean feel and loads of natural light. This opportunity offers a great way of getting yourself into a home that is as new, without having to do the renovations or start from scratch yourself and will be ideal for your holiday home with its low maintenance and established gardens or absolutely perfect for full time living as well.
