

8 Dallas Court BRIGHT VIC

3 2 1

Wouldn't you love to wake up to these fantastic views across Bright! This family home offers a lot more than meets the eye, with three bedrooms containing built in robes, plus extra rooms that could accommodate guests, a rumpus room for the kids, office or studio. An updated kitchen with loads of cupboard space and open living space that has the potential to be opened out onto a decking to make the most of those incredible views. Downstairs there is a large laundry, plus even more space for storage and another spare room. Two water tanks will keep your garden happy and only a short walk to the local school, and not much further to the main shopping street. An open mind and a bit of imagination could bring this old classic up to date to make an ideal family home.

Land Size : 750 sqm
