Set on the most magnificent 8 acre parcel of land with a creek running on the northern boundary and a magnificent stand of walnut trees is this as new 5 year old cedar and stone residence that is unashamedly alpine in design and feel. With 3 bedrooms and 2 bathrooms all generous in size and flowing open plan kitchen, dining lounge areas are the hub of the home. The feature granite fireplace will warm the home and heart on a winter's evening. The German built kitchen is a chef's dream, large and contemporary, incorporating stainless steel appliances and an beautiful large timber-topped breakfast bar.

Likewise, the bedrooms are grand in scale and offer lovely outlooks of the space and surrounding hills. Large ensuite complete with spa so you can relax and rejuvenate from the rat race.

The deck provides another ideal spot to unwind while listening to the creek running by, and make the most of the
