

112 Great Alpine Road HARRIETVILLE VIC

3 1 3

A wonderful chance to enter the Harrietville market with this character filled and classic twin gabled miner's cottage.

Part of the front verandah is now built in to provide an ideal wet entrance area and extension to the front lounge, which features an open fire, as well as a new slow combustion baker's oven in the kitchen to keep you cosy (and possibly fed) after coming back from the slopes.

The home itself provides 3 bedrooms which can all take a double bed, the master bedroom having a walk in robe, a renovated bathroom with claw foot bath & separate shower and a laundry with extra store room at the rear, which could provide further bed space if needed for when all your friends drop by, are just some of its many features.

Building Size : 13 sqm
Land Size : 1262 sqm
