

69 Feathertop Track HARRIETVILLE VIC

2  1  1 

Set on half an acre of pristine cleared land with some established and younger trees, gardens and raised veggie patch, is this delightful "miners cottage" inspired home.

Built 10 years ago this property could be a great house for you to buy and escape the rental cycle or would make for a fantastic holiday home. With its proximity to wonderful bushland, an easy stroll down to the Ovens River and nestled in the stunning alpine village of Harrietville all being key features.

Front and back verandahs plus wide entertaining deck area, with 360 degree spectacular mountain and valley views, single carport and loads of room on the half acre block makes this a very attractive offering.

Inside you will find two double bedrooms, open-plan living

Land Size : 2000 sqm
