

236 Great Alpine Road HARRIETVILLE VIC

Smaller vacant allotment right in the centre of Harrietville opposite the Snowline Hotel on the Great Alpine Road. Rising up from the roadway to be a relatively level parcel of land this allotment could be just perfect for that little holiday cottage that you have always wanted. Although only approx 720m² in size with an existing bore for plenty of water and with a clever design could take in the northern aspect as well as having private entertaining at the rear of the land.

Land Size : 724 sqm
