

### 228 Great Alpine Road HARRIETVILLE VIC

Brilliant flat block of over 1 1/2 acres right smack in the middle of Harrietville; Fronting the Great Alpine Road and stretching through to the rear of the camping grounds and the Ovens River at the rear, this block is ripe for you to let your imagination run wild. The land runs basically east to west allowing for large north facing aspects to your home and entertaining areas while being set well back from the road to give fantastic privacy. Whether for development potential or just a brilliant family home site you cant go wrong as blocks this close to the river and this size are very few in number and incredibly tightly held.
