

Lot 2 Cnr Pick Rise & Shovel Rise HARRIETVILLE VIC

A generous parcel of land being just under 2 acres, offering peace & quiet surrounds in Pick & Shovel Rise which is just off Mill Road in the picturesque sub-alpine village of Harrietville.

The block which rises gently to its rear corner will make a lovely property for someone wanting space around them for anything from kids or grandkids to run & play, establishing gardens or for keeping a horse or 2. There is a natural spring fed stream running through the block as well as a few fruit trees, shed/stables and the land is fully fenced.

A larger block that is becoming increasingly hard to find, with plans for a new house (including soil test) ready to go

Land Size : 7600 sqm
