

## WANDILIGONG

What an incredible opportunity this sale provides with the ability to own such a diverse range of allotments with flat residential land right through to beautiful grazing country rising up from Morses Creek. All parcels giving wonderful northerly views of the Wandiligong valley. This is a never to be repeated "all in" sale with a diversity property.

Opposite the incredibly well known local hub that is the Mountain View Hotel are 3 residential parcel of land that along with 2 further crown allotments make for an ideal family sized home block of approx. 1 & 1/2 acres. Flat and spacious with 3 road frontages and Growlers Creek below it at the rear, this represents a wonderful block to hold, sell on or build on now.

Secondly there are 4 "quarter acre" residential blocks that could individually have cute little holiday cottages perhaps
