

3 Mcfadyens Lane Bright VIC

A unique, special property set on the hillside with a stunning northerly aspect looking towards the beautiful township of Bright.

Oozing class and distinction; this beautiful eco apartment development consists of five architecturally designed, modern apartments just for couples. In addition to the existing buildings and infrastructure, the property has an approved planning permit for the construction of a three bedroom, three bathroom dwelling, the details of which will be included with the sale.

A delightful and exceptionally well presented business that sets a very high benchmark for exclusive, luxury accommodation in North East Victoria.

Building Size : 383.41 sqm
Land Size : 10.235 Acres
