

98 Feathertop Track HARRIETVILLE VIC

3 1

If you have ever wanted to be enveloped in the warm, earthy living of a rammed earth home then this 3 bedroom property nestled in the pretty village of Harrietville may be your chance. This inviting home features timber throughout and a magnificent stonework chimney which houses a wood heater to warm the open living/dining/kitchen space with a wall of windows and doors to look out from. The functional kitchen with stainless steel & timber benches, large pantry and a gas cooktop has just had a brand new dishwasher installed. The sunlit master with good sized robes opens to the full length rear deck on which to sit and enjoy nature. The bathroom has a separate bath and shower and in addition to the separate laundry and toilet, there is even a drying room to help over the winter months. A unique property that won't last long.
