

43 Delany Avenue Bright VIC

3 2 1

This three bedroom open plan family home ticks all the boxes. The main bedroom has built in robes and ensuite. The remaining two bedrooms are of good size also with built in robes. There is room for your home office or a fourth bedroom. The main bathroom has a separate bath and shower. The spacious kitchen includes a dishwasher and pantry with plenty of bench and storage space. Plenty of natural light floods the rear living area that opens on to an easy care yard. A split system in the living area provides warmth in winter and cool in summer. This property also has a 3Kw solar power system.
