

2/896 Great Alpine Road Freeburgh VIC

2 1 1

This property represents Great Value for money. A fantastic solidly built 2-bedroom unit in a complex of seven in total.

This one has had a recent refurbishment with a fabulous new kitchen and bathroom, solar power system, plumbed in fresh rainwater tank, new floor coverings, reverse cycle air conditioner, and a quality toasty warm European style combustion heater.

There is a lock up shed to store your personal items and a single carport.

Located just a short drive along the Great Alpine Road in Freeburgh and just a short walk from the Ovens River, this property would suit the budget conscious buyer looking to downsize, or the discerning buyer looking for a very tidy lock up and leave holiday base. Great for pursuing all that our wonderful region has to offer - snow skiing, cycling, bush walking, paragliding, motorbike riding hunting and
