At first glance you will fall in love with this home. Only 2 years old and such a pleasure to inspect, with floor tiles throughout the living spaces and bedrooms carpeted. Master bedroom with WIR and ensuite and the other 3 bedrooms or 2 bedrooms and another living space with built in robes. The kitchen is an entertainers delight with gas stove top and electric oven and a huge walk in pantry will have you the envy of your neighbours. An enclosed yard and an undercover patio area out the back so you can have the friends over for a bbq (post COVID19 of course)! This property is one to put on the list to inspect.
