

22 Mountain Mist Drive Bright VIC

Fabulously located in the Mountain Mist development is this 1700m² parcel of land. The developers certainly have been saving the best for last and this parcel is one of the very last allotments left for you to secure.

Offering you an amazing outlook across the Bright township and through to Bakers Gully, the Mystic Launch Pad and the Wandiligong Valley, this location is quiet, back on to crown land straight over your back fence and is yet only approx. 600m from the centre of town where you can enjoy all that Bright can offer.

An opportunity not to be missed, start dreaming of your new build today.

Land Size : 1700 sqm
