Offering you the space that moving to the country is all about for so many families. A flat 1-acre parcel of land where all the hard establishment work has been done for you, but with plenty of space for you to get your own creative juices flowing.

Plenty of yard for the game of cricket on a summer's day, the chooks to roam free, the veggie garden to keep you well supplied and where you have options for soaking up the full morning sunshine with a coffee in your hand or relaxing under the alfresco and take in the surrounds whilst the BBQ is sizzling on a spring evening and that is just the outside!

Step inside to a modern, spacious, and light filled 4-bedroom, 2 bathrooms, multi living area home. Greeted by a nice wide central hallway, with the Master bedroom, its
