## 2 Cavalli Place Bright VIC

If you have been waiting for your ideal parcel of land to become available, one where you are in a quiet setting, has an excellent solar aspect, you're only moments from the Ovens River and the Murray to Mountains Rail Trail, then look no further than Cavalli Place.

Lot number 1 provides you with a corner allotment of just over 6752, has all town services and is flat and easy to build on. Starting with land allows you to build what you want, when you want, with allotments such as this one, having been incredibly hard to find over the past few years, making this sale a great opportunity to secure your future home site.

You will enjoy a peaceful setting at the start of a quiet Cul-de-sac, where you can wander to and relax by the Ovens River with ease or are only a 15 minute stroll along
