

#### 4/398 Mount Buffalo Road Porepunkah VIC

3 1 1

A 5-minute drive into Porepunkah, Cottage 4, is a cute little three bedroom home available for rent on a working farm surrounded by beautiful rolling hills.

The open plan kitchen, dining and living space has both a reverse cycle air-conditioner and wood heater big enough to heat the house in those colder months.

As this is a working farm unfortunately no pets. Unfurnished and looking for a longer lease, this property is a great rural escape.
